RE: Form LM-30 Filing for Patricia E. Devlin, Labor Organization File Number 000-131

To Whom It May Concern:

Enclosed is my LM-30 for the 2004 reporting period. In filing the report, I have reviewed all of my available 2004 records as well as my recollection. This filing reflects my good faith effort to comply with the LM-30 reporting provisions. It is conceivable that I received the benefit of a meal, refreshment or social event from an individual who may be employed by a reportable entity under the Labor-Management Reporting and Disclosure Act, which I did not report because I do not have any records of these encounters and have no specific recollection of any benefits received.

Sincerely

atricia E. Devlin

Addendum

It is conceivable that I received the benefit of a meal, refreshment or social event from an individual who may be employed by a reportable entity under the Labor-Management Reporting and Disclosure Act, which I did not report because I co not have any records of these encounters and have no specific recollection of any benefits received.

Additionally, I have personal friendships with individuals who may be employed by reported entities under the LMRDA, which exist separate and apart from my role as a union officer/employee. In 2004, it is conceivable that I received the benefit of a meal, refreshment or social event from these individuals, which I did not report because I do not have any records of these personal encounters and/or have not specific recollection of any benefits received.
